

Parental declaration of consent for the kindergarten year 2011/2012

to the participation in the intensive language promotion in the kindergarten (Intensive Sprachförderung im Kindergarten, ISK) of the State of Baden-Württemberg

Dear parents,

Our kindergarten _____ would like to avail of funding from the State of Baden-Württemberg for the additional intensive language promotion in the kindergarten (Intensive Sprachförderung im Kindergarten, ISK).

ISK wants to support those children who are about to start school and who need intensive language promotion in acquiring the German language, with additional intensive language promotion programmes. Intensive language promotion is an additional service and goes beyond the usual language promotion in the kindergarten. It has been established that your child requires intensive language promotion. The head of the kindergarten will be happy to provide you with more information.

Further information about the intensive language promotion in the kindergarten is available at www.sprachfoerderung-bw.de.

The state-owned L-Bank has been commissioned by the Ministry of Culture to carry out the granting process. It guarantees compliance with the data protection laws of Baden-Württemberg.

In order to consider your child in the application and for the additional intensive language promotion in a funded group, we require your declaration of consent.

I agree that my child _____
may participate in the intensive language promotion (Intensive Sprachförderung im Kindergarten, ISK), supported by the state of Baden-Württemberg.

I am aware that participation is voluntary.

I permit the kindergarten facility to communicate the name and birth date of my child to the Landeskreditbank Baden-Württemberg – Förderbank (L-Bank), for the purpose of applying for funding to finance this intensive language promotion.

I am aware that no participation is possible without my consent.
