Tipps zum symmetrischen Trapez

A comic character with blonde hair, wearing a black suit, a light blue shirt, and a green tie, stands on the right side of a white rectangular frame. He is pointing his right hand towards two QR codes on the left. Above the QR codes is a thought bubble containing a yellow lightbulb. Below the first QR code is the word "Text", and below the second is the word "Audio". At the bottom left of the frame, there is a small black box with the text "HERR CAFARO" in white.
