* Beschreiben Sie in Worten und mit einem Term, wie man die Anzahl der Papierschichten bestimmen kann, wenn man die Anzahl der Faltungen kennt.

A full page of blank graph paper with a uniform grid of small squares. The grid consists of 20 columns and 20 rows, creating a total of 400 squares. The lines are thin and gray, set against a white background. There are no margins or additional markings on the page.A cartoon character with a large blue eye and a red mouth, looking down at a grid of squares. The character is positioned on the right side of the frame, with its head and upper body visible. The grid consists of many small squares, some of which are shaded in light blue. The character appears to be observing the grid with a focused expression.
