

# Das Geplapper des Dschungels

Groundview is  
a zoo!  
That's what  
I think.

Heck is dead!  
and it's my  
fault!

But how  
can we prove  
that it was her?

Maybe it  
was Birgit  
Nelson with  
her friends.

The yellow point  
on our heads  
is so nasty!

They tied  
us to trees!  
That's not  
fair!

# Pina Colada and Hit Squad!

Leave us alone!

The bullies are taking over.

But is this our problem?

SUIT YOURSELF!

You're crazy!

You two animals belong to a zoo!

Go away and leave us alone!

Give me your lunch, kid!

What's for dessert?

He's a BIG, FAT nobody.

# Die Dschungelparty

We need more  
muscle for  
the Nit Job!

So tell us what  
we're doing  
here, Baby.

He's just  
a big nobody.

Do you want to  
come down and  
have your dessert?

Come on!  
Let's stole  
their van.

Where is the  
fly-killer?

Give me  
your  
bunch!

Could we  
go home now  
?

# Der verrückte Dschungel

They cut and coloured their hair yellow. I would have preferred green - like me!

She wanted to stop the bullies and teach them a lesson!

A wooden beam cracked and the cat-walk broke...

Micky saw Tweed and Bitty running past the statue of Gassy Jack.

Heck died in the old underground city.

Hit Squad

I think the book „hit Squad“ is very interesting!

But there's much bullying!

It's not good to take revenge!

Ah! somebody dies

I'm happy that I'm already yellow

# Das verrückte Dschungelleben

I don't like  
the book much  
because it isn't  
very interesting  
and excited  
It is too  
risky!?

Feeling of a pulse  
but there was nothing  
He was gone.....!  
He is just a big  
nobody!?

# Chaos im Dschungel

The group kidnapped them and tied them to trees!

They cut their hair and painted it yellow?

Lucky me I have already got short and yellow hair!

## Hit Squad

The book is OK.

There are some girls who bullied the other students. That is sad because then nobody feels good at this school.

Of course this isn't very nice

You are right, but Birgit Neilsen, Mickey Cord, Peter Miller and Wisper wanted to punish the bullies and bring back "law and order", so they followed them and tied them to a tree...

... coloured their hair and cut it then, but nobody heard them when they cried. So, the girls: Mona, Jessie and Shelly are with short and yellow hair!

Are they talking about Hit Squad?

The most saddest thing is, that there are no birds in the book

# Tierische Dschungel- Bemerkungen about Hit Squad

My COOL hair  
was painted  
blue+green

And I  
had too  
much beer!

My license is  
suspended so  
I have to fly

PROSIT

It's  
tongue-  
tied!

It's  
secret

Give me  
your lunch  
kid!

I'm  
Candy
