

How do I see myself and how do others see me?

Partner A

- 1)
 - This is about how you see yourself and how your partner sees you.
 - Compare the terms on the left with those on the right. Look up unknown words.
 - Decide which of these describe you best. If you are unsure, think of events you have experienced and behaviour that you have shown more than once.
 - Use a pencil and mark the appropriate boxes. Then connect the boxes.
- 2)
 - Think of your partner now, and of behaviour that you have seen more than once.
 - Use a pen or pencil with another colour now. Mark and connect the boxes as before.
- 3)
 - Get together as a pair and compare your entries.
 - Discuss and explain reasons for your and your partner's decisions.
